

PRACTICE SITES IN CLAREMORE

Below are lists of both privately owned, city leased, or city owned properties which are available for sports practices in the City of Claremore. In order to remain available for use, we must be good stewards of the property. If we are not, we **may lose** the opportunity to use these areas.

- 1 Please pick up all trash and place in trash receptacles. If none are available, please take the litter with you and drop in the proper receptacle. Upon leaving the area, make sure it is cleaner than when you arrived.

- 2 Please do not leave any children "**unattended**". Do not expect someone else to be watching your children. They are your responsibility to control and keep out of harms way.

- 3 When parking your vehicle, please know if you are parking on private or city-owned property. If parking on private property, you must get permission from the landowner and you are subject to whatever stipulations that the landowner may require. Whether you are parking on private property or city property, you are subject to the wishes of the landowner, the laws of the State of Oklahoma, and the laws of the City of Claremore. **Remember**, know where you are parking and if you do not know, you should find out. **Beware of the consequences. "I did not know"** is not an excuse.

For practice facilities in Claremore that are **privately owned**, permission **must be obtained** from the property owners to use these facilities.
