

LEAGUE ADMINISTRATORS CODE OF ETHICS

from "National Alliance for Youth Sports"

I hereby pledge to provide positive support to all youth sports programs with professionalism and in the best interests of the children involved by following the League Administrators Code of Ethics:

I will run youth sports programs for the children involved, not the adults.

I will ensure that I am knowledgeable in the area of youth sports administration.

I will do my best to provide a safe playing situation for all participants.

I will provide support for coaches, officials, and parents to provide a positive and enjoyable experience for all.

I will request all coaches and officials to be trained in the responsibilities of being a volunteer within the organization and that they uphold the Coaches and Officials Code of Ethics.

I will implement and enforce the National Standards for Youth Sports.

I promise to keep informed about current issues involving youth sports programs.

I promise to educate all league administrators, officials, coaches', players, parents and spectators about establishing a litter free park. To keep all litter picked up and placed in the proper trash receptacles.

The Claremore Parks and Recreation Department support all youth sports in Claremore. The Rogers County Baseball Association (RCBA), the Claremore Soccer Club (CSC), and the Claremore Girls Softball Association (CGSA), work in harmony with the City of Claremore in the use of city facilities and services. We hope that the board of administrators will make this year's program a memorable experience for everyone involved.
