Project Number: _____

Project Name: Services Contract for Elect. Distr. System

Addendum No.: 1

Date of Addendum: September 17, 2024

To All Plan Holders:

Please note the following changes, comments, and/or clarifications:

- There was a misprint in the original RFP that needs to be clarified. The original RFP-2024-6 stated that we use Partner Staking Software. This is incorrect. We do not use this software. We are issuing this addendum so that all potential bidders are informed of the correction and also to ensure that their proposals are accurate in meeting the technical requirements for this RFP.
- Along with this addendum, a corrected RFP for this project has been posted to our website at: <https://claremore.com/bids/rfp-2024-06-services-contract-for-electrical-distribution-system/>

All other terms, conditions and specifications remain unchanged. Any additions made to the Bidding and Contract Documents including the Plans and Specifications per this Addendum shall be considered a part of the original Bidding and Contract Documents. The professional seals and signatures applied to the original Bidding and Contract Documents are thereby considered to cover any additions to said documents per this Addendum.
