

Bid / RFP / RFQ Number: RFP-2025-4

Project Number: _____

Project Name: Pre-Position Contract – Debris Monitoring

Addendum No.: 1

Date of Addendum: May 23, 2025

To All Plan Holders:

Comments/Clarification

1. Will the charges for the use of an ADMS be included in the hourly rates for the positions provided on the fee schedule and not a separate hourly rate separate flat rate or substitutional charge?

- **RESPONSE:** The City requires services with ADMS ONLY and the rates will need to be all inclusive when providing rates.

2. Do the DEBRIS MONITORS have to have advanced education/technical expertise and previous debris monitoring experience for the debris monitor position?

- **RESPONSE:** It is preferred but not required, however field training must be provided by the Debris monitoring company in compliance with all Occupational Safety and Health Administration (OSHA) safety regulations.

3. Can the city waive the BONDING requirement for debris monitoring?

- **RESPONSE:** The City will waive the requirements for bonding.

All other terms, conditions and specifications remain unchanged. Any additions made to the Bidding and Contract Documents including the Plans and Specifications per this Addendum shall be considered a part of the original Bidding and Contract Documents. The professional seals and signatures applied to the original Bidding and Contract Documents are thereby considered to cover any additions to said documents per this Addendum.
